HOLY MARTYRS
STEPHEN MINISTRY

The Blessings of Stephen Ministry

Stephen Ministry multiplies blessings throughout the church and community. Congregations carry out Christ's commandment to "Love one another as I have loved you" (John 15:12 RSV) in a powerful and practical way.

Pastors have a team of gifted, trained, and committed lay caregivers ready to minister to hurting people. Laypeople nurture and use their gifts in meaningful ministry, growing spiritually as they serve others. People who are hurting have a caring Christian presence to provide emotional and spiritual support.

In short, Stephen Ministry helps carry out the mission of the church.

If you need a friend or know someone who does, ask if a Stephen Minister can help. Call Janet Payton or Skip McQuate at 330-722-6633.

Sacrament of Anointing

Please notify the church office in advance of a surgery or scheduled hospital stay so that you may receive the **Sacrament of Anointing**.

The Church has always prayed for the sick to be freed from pain and restored to health.

To schedule, please call the church office at 330-722-6633

If you would like a prayers shawl at the time of your anointing, please let us know when you schedule the anointing and one will be provided to you.

Over the Christmas break, we had new lighting installed in Pfeiffer Hall! This was all possible because of those who donated to weGIVECATHOLIC!

Thank you!

Holy Martyrs Prayer Shawl Ministry

The prayer shawl gives someone a tangible example of God's love and care. The maker of the shawl prays before, during, and after they work on the shawl.

If you are interested in obtaining a prayer shawl or would like more information on joining this ministry, please contact Nancy Mayes at 330-607-2320.

Faith Formation

Empowering God's Children

For three weeks every January, HMKids and Spirit students in grades 1-8 learn skills that help them protect themselves from child molesters. Children are taught how to recognize boundary violations that precede abuse, remove themselves from uncomfortable situations and tell a trusted adult when someone has crossed a boundary.

- **Second graders** will learn about listening to their “gut” or intuition when it tells them something’s not right.
- **Third graders** will learn about different types of secrets and how to recognize a “bad” secret. They’ll also learn what to say to a trusted adult when someone has asked them to keep a secret that makes them feel unsafe.
- An important part of what **fifth graders** learn relates to limiting private information shared online.

The Diocese of Cleveland requires that these skills be taught every year to children in grades 1-8. **SPIRIT** students (grades 7 and 8) will receive this training in January as well.

This training for children is the “other arm of **Virtus**”, which educates adults about what to watch for when they see adults interacting with children.

VIRTUS has always championed taking measures to ensure that children are safer in person, and online. In addition, **WePROTECT** has echoed these steps, and provided additional ones,⁵ in order to provide the best possible opportunity to protect children during this time.

How do I actually report or communicate my concerns?

- **If you are aware of an adult exhibiting behavior that is against the code of conduct or an organization's policy:** speak to a supervisor. Keep communicating “up the chain” of command until your concerns are addressed.
- **If you are aware that a child is, or could be, in immediate danger:** call 911.
- **For a suspicion or knowledge of abuse, including if a child discloses directly or indirectly:** call the child abuse hotline (for Child Protective Services) for the county or the state, or local law enforcement.

For possible exploitation via technology: If you suspect that a child is being groomed or exploited via technology (online, gaming, cell phones, social media, etc.), communicate your concerns via the National Center for Missing and Exploited Children's tip line, at www.cybertipline.com.

For possible abuse within your employee or volunteer organization: If you suspect or know a child is being, or has been abused, by a diocesan employee or volunteer, **first** call the child abuse hotline for your state, and **then** notify the diocese immediately (typically through the safe environment or child protection office).

Block and report anyone that makes the youth, or you, uncomfortable. You should report any exploitative online material to:

<https://report.cybertip.org/>

You can also report directly in the app or website for elements that are against the policy.
